Children from HAITI enjoying cars

HAITIAN children with our toys, delivered by Orphan Grain Train who states:

"Blessings to those that volunteer and donate to help give joy to the children."

Children from NEPAL enjoying cars

Liliane Brantes and her husband work at a Global Relief Clinic with volunteer dentists at a boarding school which serves mostly impoverished children from Nepal in the Himalayan Mountains.

Liliane writes: “This little boy sat on his father’s lap while he begged. I wish I had captured the father’s expression of true happiness at seeing his little boy get a toy car. A group of gypsy children, so used to having to beg, also got cars. Even the older girls wanted them. The volunteers are having fun interacting with these children, giving a little joy. These kids do not have anything they can call their own. So we had to keep reassuring them. ‘Yes this is for you. You get to keep it for yourself.’ Thank you TFKG for spreading so much happiness, all over the world.”

Gifts for the Children

Kids International Ministries (KIM) in the Philippines has an orphanage and day outreach program for children. They also offer prenatal care, several feeding programs, medical care, pre-school and TLC to the local children and families. Some of the children received stuffed toys & **wooden cars** that were donated by **Toys For Gods Kids**. What wonderful blessings for these precious children.

Eternal Shepherd Smilemakers from Seneca, South Carolina, have delivered to Kenya, Honduras, Shoe Box Ministry and the local “Feed the Hungry” program. **THANK YOU** John Chart for getting this southern ministry started.
